Komagatake Ropeway Shirabidaira Station

1 Walk from the Arrival Lobby to Access Plaza.

2 Take the train on the Meitetsu Line from Central Japan International Airport Station to Meitetsu Nagoya Station. (the limited express μ-SKY is fast and convenient)

3 After getting off at Meitetsu Nagoya Station, head for the Central Gates.

4 Turn left after the Central Gate and head for the entrance to the Meitetsu Line Platforms.

5 Once you come to the gate turn left and go up the stairs

6 Once at the top of the stairs turn right and go straight.

7 Look for the large manikin (Nana-chan) and then turn right and take the escalator up.

8 Arrive at the 3F of the Meitetsu Bus Center.

9 Purchase a ticket for Komagane Interchange at the ticket counter.

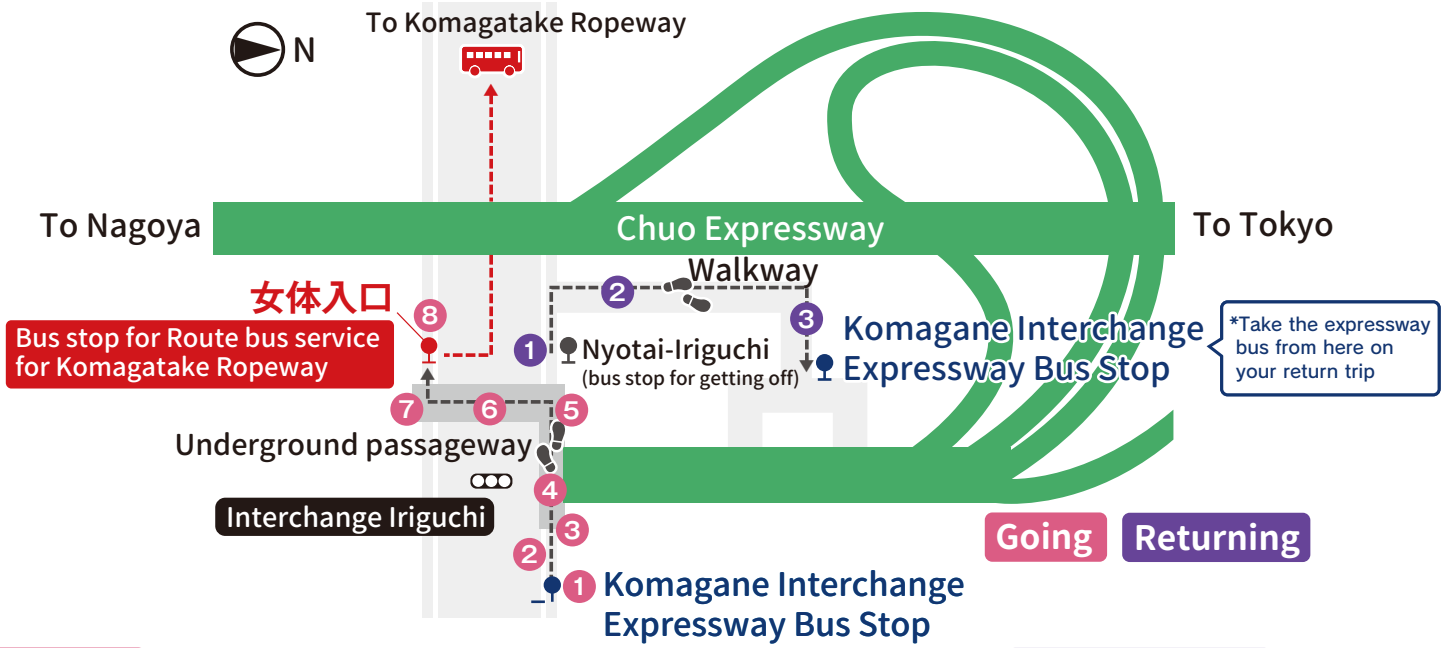

10 Take the expressway bus from Bay 5; it takes about 2 hours 40 min. to Komagane Interchange.

11 Take the route bus from Komagane Interchange. See below for details about the Route bus.

12 Arrive at Central Alps Komagatake Ropeway Shirabidaira Station. Take the ropeway from here.

Going

Photo of the Komagane Interchange Expressway Bus Stop. You will need to use a different bus stop for your return trip.

Walk along the path located to the west (toward the Komagane Interchange).

Use the underground passageway to cross the street.

Keep walking straight.

Turn left and walk through the underground passageway.

Turn right at the end of the underground passageway.

Walk up the stairs.

The Nyotai-Iriguchi Bus Stop is located immediately after emerging from the underground passageway. Take the Route bus from this stop to the ropeway.

Returning

Get off at Nyotai-Iriguchi Bus Stop. Walk a little to the east and there will be a walkway on your right.

Follow the walkway.

The Komagane Interchange Expressway bus stop is located at the bend in the walkway.
